Re: Copies of Plates for the Horizon Significant Revision, Lodestar Energy, Inc., Horizon Mine, C/007/020-SR00B, Outgoing File

Dear Mr. Miller:

The Division approved your plans to mine a portion of Federal Lease UTU-74804 on February 26, 2001. Copies of the MRP changes were transmitted to you and other agencies on August 10, 2001. Unfortunately some of the approved maps were inadvertently left out of the transmittal and did not get distributed. Upon being notified, you provided additional copies of these maps to us for distribution. Enclosed is a stamped incorporated copy of these maps for insertion into your copy of the Mining and Reclamation Plan. This should complete the action for this permit change and provide you with an updated version of your plans.

Thank you for helping us complete this permitting action. If you have any questions, please feel free to call me at (801) 538-5325.

Sincerely,

A handwritten signature in dark ink, reading 'Daron R. Haddock'.

Permit Supervisor
